L6001

absolute detergent™

quality | built detergent

linden series | clean, soft, fresh textile care

Absolute Detergent is an excellent, economical, all purpose powdered laundry compound suitable for industrial and institutional use. It has been specially formulated to perform well in home style or laundromat applications. It contains biodegradable synthetic detergents and a high level of detergent builders, and is equally effective in hard or soft, hot or warm water. It contains soil dispersants and suspending agents to prevent redeposition of soil, and an optical brightener for whiter whites and brighter colors. Its suds profile makes it ideal for top or front loader type machines. Excellent on cotton blends and synthetics.

directions for use

Small machines (15-20 lb. Wash Load): 4 oz. per wash load.

Large machines: For light to medium soils use 8 to 16 oz. Absolute per 100 lb. load. For heavy soils use 16 to 32 oz. Absolute per 100 lb. load. To optimize use levels for your specific needs contact your Santec technical representative.

WARNING

HAZARD STATEMENTS

Causes eye and skin irritation.

PRECAUTIONARY STATEMENTS
