

aquaterge detergent

solvated | industrial laundry detergent

linden series combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

Aquaterge Detergent is a specialty laundry detergent designed to remove the most stubborn oils, inks, stains and glues when 'all else fails'. It is a 100% active formulation comprising solvents, emulsifiers and optical brighteners.

designed for

- Removal of heavily soiled grease and oil stains from textiles in laundry re-claim formulas.
- Concrete stains not removable by any conventional means.
- Mechanics' shop towels.
- Removal of ink blotches from load stained with leaking pen.

optimal applications

Commercial laundries, on-premise laundries in industrial facilities, health care facilities, food plants and meat plants.

environmentally preferred green cove™
