

auburn

wood floor | surface cleaner

mother nature

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Auburn is a natural 'tree' based soap formulated to safely and gently clean most finished wooden floors, furniture, cabinets and most other household surfaces. And it leaves the area smelling fresh and clean!

features

- Safest and most effective cleaning product for all finished wooden surfaces, from hardwood floors and furniture in living quarters to cabinets and countertops in kitchen to marble tiles in hallways and rest-rooms.
- Excellent low foaming cleaner that leaves behind a fresh and clean citronella scent.
- Environmentally friendly, biodegradable, phosphate free and safe for human touch makes it extremely user friendly.

optimal applications Polyurethane finished wood floors, no-wax floors, finished wooden furniture, tables and chairs, kitchen cabinets, painted walls, marble tiled floors, countertops, and all plastic and vinyl surfaces.

ideal for Hotels, motels, apartment buildings, office buildings, nursing homes and schools.
