# choice starch

instant liquid textile starch

linden series | clean, soft, textile care

Choice Starch is a Poly Vinyl Acetate (PVA) based synthetic liquid textile starch that instantly dissolves and disperses in water at 90-110 degree Fahrenheit. It delivers excellent body and smoothness of hand to most synthetic fibers including VISA, spun poly and poly-cotton blends.

## directions for use

Choice Starch is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.
