

Choice Starch

instant liquid textile starch

linden series combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

Choice Starch is a Poly Vinyl Acetate (PVA) based synthetic liquid textile starch that instantly dissolves and disperses in water at 90 -110 degree Fahrenheit. It delivers excellent body and smoothness of hand to most synthetic fibers including VISA, spun poly and poly-cotton blends.

features

- Quickly dissolves and disperses in washwheel.
- Penetrates deep into fabrics.
- Provides excellent stiffness and hand.
- Improves ironing quality.
- 100% biodegradable.

optimal applications

All synthetic and synthetic blends - table linens, napkins, sheets, pillowcases and shirts

ideal for

Commercial laundries, hotels, motels, health care facilities and nursing homes.

environmentally preferred green cove™
