

# crisp starch

instant | powdered textile starch

**linden series** combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

**Crisp Starch** is a readily dispersible pre-gelatinized instant laundry powdered starch designed to provide excellent starching at 100 to 110 degrees F. It is economical and provides excellent fabric stiffness and smoothness of hand for all types of fabric, especially cotton based textiles including shirts, aprons, chef coats, sheets and table linens.
