

delta action™

multi-surface cleaner | degreaser®

value series | efficient, cost-effective chemical cleaning compounds

delta action is a water based heavy duty multi-surface cleaner that effectively removes grease, oil, carbon, or any other industrial soil from concrete, machinery, engines, floors, walls, etc. Action's low foaming disposition can be used in automatic scrubbers. Very concentrated for dilutions of up to 1 ounce per gallon of water. Non-flammable and non-corrosive it is safe for use on all surfaces not harmed by water.

directions for use

Apply by mop, sprayer, sponge or automatic scrubber. Apply to surface to be cleaned and allow to stand for several minutes. For heavier soil, agitate briskly with a brush or aggressive pad. For normal soil, allow the product to do the work. Wipe clean with a moist rag, sponge or pick up with wet vac or mop. Where applicable, rinse thoroughly with water. Avoid contact with windows or other glass surfaces.

WARNING

HAZARD STATEMENTS

May cause skin irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles, face shield, boots. Wash thoroughly after handling.

FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist. Inhalation: Remove to fresh air. Seek medical attention if symptoms persist. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Keep out of reach of children.

SPILL / LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

Diethylene Glycol Monobutyl Ether (112-34-5)
