

delta force™

grill and oven cleaner®

value series | efficient, cost-effective chemical cleaning compounds

delta force is a fast acting, penetrating and powerful grill and oven cleaner that can be sprayed or brushed on surfaces for rapid, effective and easy cleaning of the toughest baked-on food soils and grease and grime.

direction for use

Note: Wear gloves and long sleeved garments when using this product. Do not use on painted surfaces. Avoid contamination of food. 1. Spray **delta force** onto the surface to be cleaned. 2. Allow product to penetrate grease deposits for 15 minutes depending on the thickness of the deposits. 3. Wipe off dissolved and loosened grease with a damp cloth. 4. Rinse with clear water. **Delta Force** works faster when applied to a warm surface (120°F, 50°C). Rinse off after cleaning. **Delta Force** is safe on iron, steel, stainless steel, nickel, porcelain and glass. **Delta Force** should not be used on aluminum or painted surfaces. Avoid contamination of food.

DANGER **HAZARD STATEMENTS**
