

denim

spray buff | shine maintainer
rejuvenation

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

denim is formulated with a blend of polymers, detergents and emulsifiers - is a ready-to-use spray-buff that cleans, repairs and restores most types of floor finishes to a brilliant shine.

features

- As a ready-to-use product, no dilution is required; just spray on surface and follow with scrubber.
- Leaves a micro polymeric membrane that repairs scuffs and scratches - black heel marks simply disappear.
- Cleans and rejuvenates floors in one operation.
- Reduces maintenance costs considerably by eliminating need for frequent mopping, stripping and re-finishing floors.

optimal applications Use for automatic scrubbing machines to clean and polish any type of water-emulsion finish.

ideal for Hotels, motels, health care facilities, nursing homes, schools, supermarkets, department stores and office buildings.

environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.
