element neutralizer

chlorine neutralizer

linden series | clean, soft, fresh textile care

Element Neutralizer is a concentrated liquid antichlor product for use in institutional laundry applications. May be added to the wash wheel to help eliminate residual chlorine. element neutralizer may also be used as reducing bleach where staining reclaim is necessary. Element Neutralizer increases brightness of fabric, prevents yellowing and fabric deterioration.

directions for use

Add 2-4 oz. Element per 100 lb. load to a typical post bleach rinse. Higher chlorine levels may require increased levels of Element. When used as a reducing agent to remove medicinal stains add 4-6 oz. per 100 lb. load to initial flush step.
