

# equal™

chlorine + alkalinity neutralizer

**linden series** combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

**equal** is a mild acidic sour and reducing agent combination liquid for the final rinse in the wash cycle to eliminate both residual alkalinity and chlorine from the wash bath.

## FEATURES

- Acts as a sour and antichlor in one step.
- Removes all residual alkalinity and chlorine in one operation.
- Mild acidic nature allows it to be used safely even in color sensitive loads such as pin-striped shirts.
- Prevents yellowing and browning on cottons.
- Cuts rinse water requirements.

## OPTIMAL APPLICATIONS

Commercial laundries, hotels, motels, health care facilities, nursing homes and restaurants.

## PRODUCT SPECIFICATIONS
