

fifteen

encapsulated machine dish detergent

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

Fifteen is a premium chlorinated dish detergent granular powder in a capsule. It is formulated as a heavy duty combination of alkaline builders, organic chlorine-releasing compounds, polyphosphates and non-foaming detergents.

features

- A versatile product that cuts and removes dried-on foods, grease, oil and other food soils on glassware, china, plastic, cutlery, and pots and pans. Do not use on aluminum, zinc and other soft metals.
- Generates no foam that can interfere with accuracy of dishwasher's operation.
- The chlorine released during the wash bleaches out stains from both china and plastic ware.
- Contains a special polymer that decreases precipitation and adherence of inorganic salts to glass surfaces thereby eliminating 'spotting' of glassware.
- Performance and rinsibility are unaffected by water hardness. Contains water softeners that reduce formation and build-up of scale and scum in jet sprays and other surfaces of dishwashing machines.

ideal for

Glassware, steel cutlery, pots and pans, porcelain, plastics.

optimal applications

Restaurants, cafeterias, schools, hospitals, kitchens, hotels, motels, nursing homes and other food service establishments.

environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.
