

five

heavy duty
grill + oven cleaner

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

five is a fast acting, penetrating and powerful grill and oven cleaner that can be sprayed or brushed on surfaces for rapid, effective and easy cleaning of the toughest baked-on food soils and grease and grime.

FEATURES

- Formulation contains high alkalinity and potent solvency that penetrate the toughest baked-on soils causing their complete removal without the need to scrub and scrape.
- Solvent present neutralizes the bland but strong unpleasant odor associated with many oven cleaners.
- Designed to be easily sprayed or brushed on horizontal surfaces for rapid and easy cleaning.
- Contains low foaming emulsifiers to aid in cleaning/degreasing without the problem of excess foam.

Note: Due to highly alkaline nature of formulation, do not use on aluminum, copper, galvanized, plastic composition tile, painted surfaces, and self-cleaning and/or continuous cleaning ovens.

OPTIMAL APPLICATIONS

Ovens, grills and deep-fat fryers.

IDEAL FOR

Kitchens of restaurants, cafeterias, schools, hospitals, nursing homes, bakeries, hotels and motels.
