**INGREDIENTS:**

Citric Acid..... 3.50%

Glycolic Acid..... 1.50%

**OTHER INGREDIENTS**..... 95.00%**TOTAL**..... 100.00%

**forest** can be used on all washable hard, non-porous surfaces that can be found in the bathroom. Great on glazed porcelain and glazed ceramic tile, stainless steel fixtures, laminated plastic, linoleum and vinyl. For all surfaces, test on a small hidden area before use.

**directions for use**

Do not use product in a manner inconsistent with its labeling. Spray 6-8" from surface. **TO OPERATE:** Turn nozzle to ON position. **To Clean:** Spray surface until thoroughly wet. Wipe with a clean cloth or sponge. **To Clean Lime Scale and Soap Scum:** Allow product to sit 15-20 seconds to penetrate soil before wiping clean. Repeat if necessary. **For Viruses/Bacteria:** Pre-clean surface. Spray surface until thoroughly wet. **To Remove:** Leave for 30 seconds before wiping. **To Eliminate:** Leave for 10 minutes before wiping. **To Control Mold & Mildew:** Spray 6-8" from pre-cleaned surface. Let surface remain wet for 3 minutes and then allow to air dry. Repeat application at weekly intervals or when mold and mildew growth appears. Rinse bathtub / shower surfaces with water after using product. **To Refill:** Remove trigger sprayer. Pour in product from refill container and replace trigger. If the last portion of this product is difficult to dispense, turn trigger 180° to face opposite direction; this will ensure full use of its contents. Does not harm most bathroom surfaces. May discolor painted surfaces including decorative tile and colored grout. May etch older sinks and tubs. Do not use on marble surfaces.

**WARNING****HAZARD STATEMENTS**

May cause skin irritation.

**PRECAUTIONARY STATEMENTS**

Wear protective gloves and eye protection.

Wash thoroughly after handling.

**FIRST AID**

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist. Inhalation: Remove to fresh air. Seek medical attention if symptoms persist. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

**STORAGE**

Store in closed container in an area inaccessible to children.

**SPILL / LEAK**

Avoid walking in product. Wipe up or otherwise flush small spill to sanitary sewer.

**DISPOSAL**

Dispose of material in accordance with local, state and federal regulations.
