

formula 18

textile freshener | odor eliminator

linden series combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

Formula 18 is formulated with a very powerful yet subtle fresh smelling fragrance in an organic base. By adding it in the cleaning or rinse cycle in drycleaning machines it imparts a beautiful, fresh scented note to all garments.

features

- Product's formulation allows it to be effective in all drycleaning solvents, i.e. perc, petroleum and hydrocarbon solvents, as well as in wetcleaning and even laundry applications.
- Fragrance is great for fire restoration; is uniquely designed to be effective at totally removing heavy smoke odors from garments exposed to fires.
- Effective at replacing bacterial, stale and musty odors typically present on garments after the drycleaning process with a fresh and clean scent.
- Its solubility in water allows it to be used in spray applications to freshen up carpets and draperies.

directions for use

1. In perc, petroleum or hydrocarbon solvent: (a) for heavy smoke removal add 1 oz. per 10 lbs. load during last cleaning or rinse cycle; (b) to impart normal fragrance effect or replace bacterial and musty odors, add about 1/4 oz. per 10 lbs. load during last cleaning or rinse cycle.
2. In wetcleaning or laundry applications add about 1/4 oz. per 10 lbs. load during last rinse cycle.
3. In spray applications mix one part Formula 18 with eight parts water in a spray bottle or tank and spray as needed for desired effect.

product specifications

Physical Description	Clear, water thin liquid
Fragrance	Fresh Floral Scent
Color	Light yellow
pH	7.0
Weight Per Gallon	7.90 lb./gal
Storage Stability	1 year minimum
D.O.T. Shipping label	None
