formula 324

rust | iron pre-treatment

linden series | clean, soft, fresh textile care

Formula 324 is a ready-to-use liquid for use as a pre-treatment in laundry operations to enhance removal of rust stains from fabric. **Formula 324** effectively removes rust stains without the use of Hydrofluoric Acid. Can also be used in cases where heavy iron content is present as a rust removing sour.

directions for use

Apply Formula 324 from spout of bottle. **DO NOT RUB IN WITH FINGERS.** Wash immediately. Use on metal stains such as iron. Old stains may require several applications. Formula 324 is safe for use on most colors and fabric types. Test on a hidden area of garment before applying to delicate fabrics.
