L6210

formula 36

ink | adhesive remover

linden series | clean, soft, fresh textile care

Formula 36 is a versatile ink and adhesive remover. Removes most inks, nail polish, glue, paint, lacquer, paste shoe polish, gum, toner, adhesives and fabric chalk.

directions for use

Place item to be treated on a towel on spotting board so towel can absorb excess ink when Formula 36 is applied.

Drycleaning

Apply formula 36 to stain and rub with fingers or tap lightly with spotting brush. Do not rub with brush. Flush lightly with air (do not use steam) and vacuum. Repeat if necessary. Do not allow to dry. Place in machine or cleaning solution immediately.

Laundry

If garment fabric is type that is washable, treat stain as directed above, but flush with water, and then place in washing machine.

On all other listed stains apply as directed above.

Textile Caution Contains isopropyl acetate. Will damage or dissolve acetate material. Safe on color fast natural and synthetic fabrics, except acetate. Pretest all silk and rayon in unseen area for color lift or change. Do not use steam to flush. The use of steam may cause color loss. Rinse treated area with water before placing item in wash load with bleach.

FLAMMABLE HAZARD STATEMENTS

For external use only.
Keep away from heat, sparks and flame. Keep out of reach of children.

PRECAUTIONARY STATEMENTS

Wear protective gloves, eye protection, protective clothing and face protection.

FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist.
Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist.
Inhalation: Remove to fresh air. Seek medical attention if symptoms persist.
Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Keep out of reach of children.

SPILL /LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.
