

gold

odor | stain neutralizer

rosemary mint

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Gold contains microbial enzymes that biologically eliminate malodor-causing molecules, chemical agents that trap odor causing molecules, and a powerful fragrance combination of odor masks and neutroleum that together guarantee a fresh smelling environment. Gold's unique triple-active formulation makes it the first choice for eliminating the toughest malodors and stains including smoke, fish, and urine.

features

- Biologically digests urea-forming uric acid salts, proteins, carbohydrates, cellulose, and fats, oils and grease.
- Eliminates urine, feces and other body odors and organic stains from carpets, upholstery, other soft surfaces as well as harder surfaces such as tile, grout and cement.
- As a neutral bleach-free product, it's extremely color-safe.
- Excellent for maintaining garbage cans and dumpsters with a fresh smell.

optimal applications car interiors, locker rooms, urine-stained carpets and upholstery, dumpsters, garbage cans, portable toilets, public restrooms, animal cages, fish stores, and smoking rooms in motels/hotels.

ideal for gyms, hospitals, homes, restrooms, recreational vehicles, waste disposal areas, and wherever malodors - especially urine, fish and nicotine - occur.

environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.

product specifications
