**fusion series** is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

**Indigo** is a high solids acrylic copolymer, metal-interlock, superior floor finish designed to work with most maintenance methods and equipment on all types of floors. Easy to apply. Recoats and blends well with existing coats. Excellent resistance to scuffs and black heel marks. Levels with no streaks or mop trails. Each coat dries in 30 to 45 minutes.

## features

- Latest generation polymers and leveling agents yield superior leveling and durable film formation even in poor drying conditions.
- Outstanding initial gloss and definition of image.
- Excellent response to burnishing.
- Less labor intensive as high actives level require fewer coats to yield a high gloss floor finish.
- Decreases labor and maintenance as finish is extremely durable.

**ideal for** Hotels, motels, health care facilities, nursing homes, schools, super markets, department stores and office buildings.
