

mauve

pearlescent | antibacterial lotion hand soap

cranberry ice

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Mauve is an antibacterial pearlescent lotion hand soap that effectively removes soils and greases, is mild on the most delicate hands, and generates a soothing and refreshing fragrance while cleaning.

features

- Formulated with the broad-spectrum antibacterial agent Triclosan to improve sanitizing of hands without affecting any objectionable residual odor.
- Formulated with a blend of mild surfactants, emollients and pearlizing agents, and a powerfully soothing and refreshing cranberry ice fragrance making hand washing a pleasurable experience, while leaving the hands clean and 'soft'.
- As a concentrated formula, a single squeeze from the dispenser delivers sufficient product to produce a thick lather and effective cleaning.
- Water softening compounds incorporated in the formulation assures soap performs well even in hard water areas.

ideal for Hotels, institutions, schools and educational facilities, offices, hospitals, homes, restrooms, sports and recreational facilities, and eating establishments.

environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.
