mystic sour™

industrial laundry sour

linden series | clean, soft, fresh textile care

Mystic Sour is an acid neutralizer for the final rinse in the wash cycle to eliminate residual alkali from the wash and bleach operations.

directions for use

When dispensing at a properly controlled rate, mystic sour does not reduce tensile strength of common fabrics such as cotton, polyester and blends. Mystic Sour is not for use on delicate fabrics such as wool and silk. Mystic Sour should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.
