

# mystic sour

laundry sour

**linden series** combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

**mystic sour** is a concentrated liquid blend of acids for the final rinse in the wash cycle to eliminate residual alkalinity. It prevents discoloration and weakening of washed textiles while bringing fabric pH to proper level for safe contact with skin.

## features

- Concentrated active product that totally neutralizes residual alkalinity in the wash load.
- Cuts rinse water requirements.
- Helps prevent and remove rust stains, removes residual alkalinity, and dissolves hard water deposits on fabric - thereby preventing fabric yellowing, graying and weakening.
- Can be used on white and colored cottons, polyester, woolens and rayons.
- Compatible with fabric softeners, anti-chlors and starches.

## optimal applications

Commercial laundries, hotels, motels, health care facilities, nursing homes, and restaurants.

## product specifications

Physical Description	Clear, liquid
Viscosity	Water Thin
Color	Colorless
Flashpoint	None
Fragrance	Pungent
Weight per Gallon	9.5 lb / gal
pH	1.0 - 2.0
Storage Stability	1 year minimum
D.O.T. Shipping label	Class 8: Corrosive Liquid
