

**nickel**<sup>TM</sup>

solvent cleaner | degreaser

element series | high performance cleaners. right where you need them.

**Nickel** quickly dissolves and flushes away grease and dirt. May be used with a brush or as a dip. Composed of a blend of quality, odorless solvents. Safe to use on all metals. Excellent light duty cleaner for fuel pumps, carburetors, filters, master cylinders, valve covers, rocker arms, and all engine parts. Relatively slow evaporation rate reduces losses to atmosphere. Leaves light oil film on parts to protect against rust and corrosion. Its elevated flash point provides an added degree of safety in use and storage.

**directions for use**

Ready to use in most part washers. Refer to instructions for use of unit before operating.
