

# Nifty Softener

fabric softener | spring fresh scent

**linden series** combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

**Nifty Softener** is a concentrated liquid fabric softener for application to all fabrics in the final rinse cycle of a laundry machine. Exhibits outstanding softening properties. Contains an effective fabric softener, optical whitener, and pleasant “Spring Fresh” perfume. Renders harsh, rough fabrics soft and fluffy in one application. Reduces retained water in the fabric after the spinning or wringer-drying. Reduces friction for faster ironing.

## features

- Converts harsh and rough fabrics to soft and fluffy ones in one application.
- Renders textiles with rich, fresh and pleasant scent long after being subjected to high dryer temperatures.
- Mostly eliminates need to iron permanent press fabrics.
- Imparts anti-static properties to synthetics including polyester, nylon, rayon and more.
- Incorporation of a natural organic acid in the formulation neutralizes any alkalinity present, allowing textiles to be safely processed.
- Is safe to use on all water washable fabrics.

## optimal applications

Hotels, motels, health care facilities, nursing homes, commercial laundries, and restaurants.

## environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.
