

nine

no thaw freezer cleaner

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

Nine is an environmentally safe ready-to-use alkaline cleaner for use in freezers, coolers, cold rooms and other areas with low temperatures. It cleans at sub-freezing temperatures without the need for defrosting.

features

- Formulated with a blend of surfactants and water-soluble solvents that result in rapid solubilization of difficult grease and oil-based soils from room temperature to freezer temperatures as low as -20° F.
- Dries fast at low temperatures leaving no sticky or slippery surfaces.
- Rinses freely from surfaces.
- Low foaming makes it ideally suited for recirculating cleaning applications such as floor scrubbers.
- Product is safe on all metals.

ideal for

supermarkets, restaurants, schools, and food processing plants, on all non-food contact surfaces

optimal applications

Eating and drinking establishments, bakeries, dairy farms, nursing homes, hotels, motels, hospitals, schools

environmentally preferred green cove™
