nineteen

manual dish detergent solid

detergente manual para platos

resolve series | high-performance food service solutions

nineteen is a high performance dish detergent solid in a capsule. It was specifically designed to be safely used on all metals including aluminum and other soft metals. It is formulated as a heavy duty combination of alkaline builders, water conditioners, soil suspending polyacrylates, and non-foaming detergents.

directions for use

Nineteen was designed to work with our automatic dispensing unit to ensure convenient, hands off dispensing to deliver powerful cleaning. Our chemical feed system delivers reliable performance and durability. Consult your Santec representative for specific use directions.

WARNING HAZARD STATEMENTS

Causes skin irritation,
causes serious eye damage.

PRECAUTIONARY STATEMENTS

Wear protective gloves and eye protection.
Wash thoroughly after handling.

FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist. Inhalation: Not applicable. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, food and drink. Keep out of reach of children.

SPILL /LEAK

Avoid runoff into storm sewers and ditches which leads to waterways. Vacuum or sweep up material and place in a designated, labeled container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

Sodium Silicate (1344-09-8)
