

quest detergent

industrial | laundry detergent

linden series combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

Quest Detergent is a concentrated, low foaming detergent composed of surfactants, solvents and optical brighteners, excellent for cleaning synthetic and natural fabrics. It penetrates and emulsifies oily soils. It provides superior cleaning action when used in conjunction with Santec's alkali break.

features

- Ideal for many types of industrial and institutional laundries.
- Will not harm any water washable fabric.
- Formulated with a high concentration of hydrophobic solvents and surfactants to be especially effective for removal of oily and greasy soils.
- It is equally effective at high levels of water hardness as in soft water. .
- Optical Brighteners present to renew brightness of whites and colored fabrics.

optimal applications

Commercial laundries, hotels, motels, health care facilities, nursing homes, and restaurants.
