

Linden series

textile care

L6038

rapid builder

alkali builder | break

linden series | clean, soft, fresh textile care

Rapid Builder provides deep cleaning action on heavily soiled loads and saponifies grease, oil and fats. Rapid Builder swells linen fibers for easier removal of soils, and boosts detergent performance in the wash bath. It will optimize the performance of any detergent.

directions for use

Rapid is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your SanTec technical representative for specific use directions.
