

# red

## heavy duty | multi-surface cleaner

### ruby mist

**fusion series** is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

**Red** is a water based heavy duty multi-surface cleaner that effectively removes grease, oil, carbon, or any other industrial soil from concrete, machinery, engines, floors, walls, etc. Red's low foaming disposition can be used in automatic scrubbers. Extremely concentrated for dilutions of up to 1 ounce per gallon of water. Non-flammable and non-corrosive it is safe for use on all surfaces not harmed by water.

### features

- Powerful and penetrating cleaning action quickly removes all types of soils, grease and dirt from a variety of surfaces.
- Synergistic effects of detergents and hydrophobic solvents affect rapid dissolution and removal of oils and greases, both food and industrial based.
- Will not harm metal surfaces when used as directed.
- Powerful yet versatile formula compatible with all surfaces not detrimentally affected by water.

**optimal applications** Kitchen floors and walls, restaurant food preparation areas, industrial concrete floors, machinery, stainless steel equipment, refrigerators, ovens, air conditioning ducts and grilles, tiles and marble.

**ideal for** Hotels, motels, hospitals, health care facilities, nursing homes, schools, apartment complexes, office buildings, food plants and meat plants.

### environmentally preferred green cove™
