

rubidium™

industrial strength hand cleaner

element series | high performance cleaners. right where you need them.

Rubidium is tough on dirt and grime, and gentle on hard-working hands. It is formulated to remove stubborn industrial soils such as inks, resins, paints, adhesives, tar, carbon, and asphalt. The use of mild, low-odor solvents blended with orange oils helps to prevent skin damage from frequent washings, plus the emollients in Rubidium act to moisturize hands and keep them feeling soft and supple. Mild abrasive action is achieved with naturally ground walnut shells. The natural fragrance from orange oils leaves a pleasant odor in hands.

directions for use

DIRECTIONS: Apply Rubidium to dry hands. Rub thoroughly into hands to dissolve embedded dirt, grease, and grime. Rinse with water to flush away hand cleaner and loosened soils. Wipe hands dry.

WARNING

HAZARD STATEMENTS

May cause eye irritation.

PRECAUTIONARY STATEMENTS

Wear eye protection. Wash thoroughly after handling.

FIRST AID
