

# rustex sour™

rust removing laundry sour

linden series | clean, soft, fresh textile care

**Rustex Sour** is a liquid rust sour designed for commercial applications. It will eliminate possible fabric damage that might result from residual rust and alkalinity. Rustex Sour will eliminate mineral deposit stains, and leave the fabric at a pH that is comfortable for skin contact. It also works to prevent the discoloration of fabrics by removing lime and iron from the wash cycle.

## directions for use

**Rustex Sour** is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.
