

Rx Air
dispenser air freshener

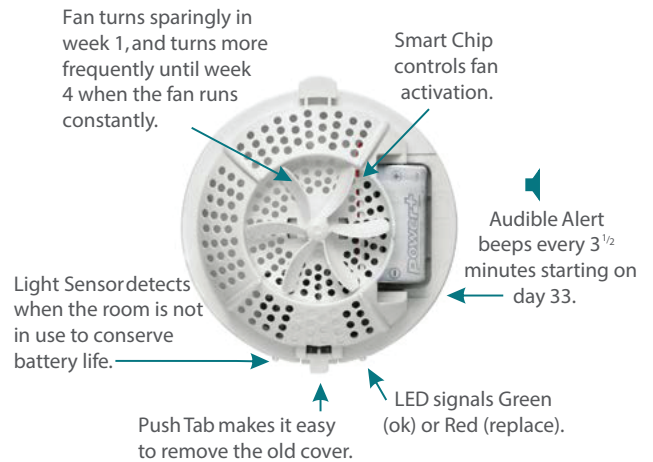

value series efficient, cost-effective cleaning solutions.

features

- Powerful enough to freshen larger areas**
 The cover contains 2-3 times more fragrance than gels or metered aerosols. The motor driven fan moves air freshener further than a typical passive system, so you'll freshen larger areas.
- Freshens consistently for 30 days**
 The smart chip controlled fan freshens consistently since it turns sparingly in week 1, and gradually turns more frequently until week 4 when it runs constantly.
- Easy to use**
 Maintenance is simple with easy to use LED and audible reminders along with a push button cover for quick removal and replacement.
- Safe for the environment**

 Cannot spill or misfire, part of the industry's first closed-loop recycling program so it's easily recyclable. For details, go to www.eco-refresh.com
