CONCENTRATED POT + DISH DETERGENT

HIGH PERFORMANCE

DETERGENTE CONCENTRADO PARA PLATOS | ALTO RENDIMIENTO

CLEAN BY NUMBERS | clean needs. clean solutions.

product | Dispose of in accordance with local authority regulations.

container | Made from HDPE and should be disposed of in accordance with local authority regulations.

Seven is an ultra concentrated, high performance manual warewashing detergent designed for use in industrial and institutional manual warewashing operations.

Seven easily breaks down stubborn food soils, grease and oils, leaving dishes, utensils and cookware sparkling clean. The free rinsing, high-active formula produces rich suds which are exceptionally stable, even in the presence of extreme grease loads.

directions for use

Presoaking: use 2 oz. of *Seven* per 3 gallons of warm water. Scrape off soil from pots and pans. Place items in presoak solution and let stand until soil loosens. **Pot and Pan Washing:** Sink One - Fill sink using 1 oz. of *Seven* per 10 gallons of hot water. Adjust amount of product up or down according to soil load. Sink Two - Immerse pots and pans in clean water. Remove and let excess water run back into sink. Sink Three - Fill sink with warm water. Use an appropriate Santec sanitizer for a sanitizing rinse, follow directions on label. Let air dry.

WARNING

HAZARD STATEMENTS

May cause eye irritation.

PRECAUTIONARY STATEMENTS

Wear eye protection. Wash thoroughly after handling.

FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water. Seek medical attention if symptoms persist. Skin Contact: No known significant effects. Inhalation: Not applicable. Ingestion: Get immediate medical attention. Do not induce vomiting unless instructed to do so by a physician or poison center.

STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Keep out of reach of children.

SPILL / LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS
