stainless steel cleaner | polish

first impression

# silver™

fusion series | easy to use, efficient and safe. makes housekeeping a pleasure.

**Silver** is a water-based oil encapsulated formula, specifically for use on stainless steel, chrome, and other non-porous washable surfaces. Silver forms a long lasting protective coating that repels water, prevents penetration of harmful liquids and retains its gloss indefinitely. Silver's protective luster helps keep out soil and moisture, making cleanup easier.

## directions for use

Turn nozzle to the spray position. Spray Silver on area to be cleaned. Wipe off with a clean dry cloth until shiny.

### WARNING

#### HAZARD STATEMENTS

May cause eye or skin irritation.

#### PRECAUTIONARY STATEMENTS

Wear protective gloves and eye protection. Wash thoroughly after handling.

#### FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist. Inhalation: Remove to fresh air. Seek medical attention if symptoms persist. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

### STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Avoid heat, spark, open flame and other ignition sources. Keep out of reach of children.

### SPILL / LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.
