

silver

stainless steel cleaner | polish

first impression

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make housekeeping a pleasure.

silver is a water-based Stainless Steel Cleaner and Polish formulated with degreasing emulsifiers and oils to the exclusion of solvents. It delivers excellent cleaning while imparting a longlasting protective lustrous shine on stainless steel, chrome and aluminum.

features

- Delivers a one-two-three punch of cleaning, polishing and protecting in one easy operation.
- Ease of Application – Just spray on and wipe with a clean, dry cloth.
- Leaves a mild, pleasant lemon odor lingering behind. Residual water-repelling film provides long-lasting protective shield which prevents rusting, corrosion and discoloration. Effective on many metal surfaces including stainless steel, chrome, copper and aluminum.
- Contains only environmentally friendly ingredients – no hazardous solvents.

optimal applications Stainless steel and aluminum counter tops, tables, refrigerators, fixtures, drinking fountains and doors. Do not use on direct food contact surfaces.

ideal for Hotels and Motels, Hospitals, Nursing Homes, Schools, Equipment Rental/Leasing Services, Non-food contact services in Food Preparation Establishments.

environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.
