

sixteen

concentrated | solid manual pot detergent

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

Sixteen is a versatile ultra concentrated high sudsing pot and pan solid detergent. It is suitable for manual cleaning of all kitchen utensils. Especially formulated with a superior blend of emulsifiers and wetting agents to cut grease on heavily soiled pots and pans.

features

- Formulated with foam stabilizing agents allowing foam to 'hold' for extended periods while soaking dishes clean.
- Formulated without alkali so it is mild on hands.
- Product rinses free making it also ideal for use on dishes, glassware and silverware.
- Product is effective in all water conditions.
- Extremely economic when used with Santec automatic dispensing equipment.
- Sixteen is phosphate free, biodegradable and safe on all metals including aluminum.

ideal for

Pots and pans, dishes, glassware, silverware and other kitchen utensils.

optimal applications

Supermarkets, bakeries, restaurants, eating and drinking establishments, Hotels, motels, health care facilities, nursing homes, schools, food plants and meat packing plants.

environmentally preferred green cove™
