substance conditioner™

concentrated water conditioner

linden series | clean, soft, fresh textile care

Substance Conditioner is a concentrated water conditioner for institutional laundry applications. It removes minerals from hard water, and improves detergent efficiency.

Substance Conditioner contains sequestrants to help eliminate minerals such as iron deposits in the wash wheel. Will also prevent graying of linen and prolong the life of equipment by preventing hard water scale build up.

directions for use

Use product at a rate of 2 to 4 ounces in the suds bath for every 100 lbs of laundry to help control hard water and mineral content in wash water. May also be used in other cycles of the wash formula.

WARNING

HAZARD STATEMENTS

May cause skin irritation

PRECAUTIONARY STATEMENTS
