ten™

high performance clinging gel grill | fryer cleaner

resolve series | high-performance food service solutions

Resolve Ten is the most unique powerful and penetrating degreaser ever developed. Its super concentrated blend of alkalinity and lipophilic non-foaming surfactants makes it the most effective product in the marketplace to totally remove the most stubborn and thickest grease/oil deposits from floors, walls and industrial and commercial equipment.

directions for use

WEAR RUBBER GLOVE AND LONG-SLEEVED GARMENTS WHEN USING THIS PRODUCT.

Remove or carefully protect food products and food packaging materials prior to using this product. Rinse surfaces thoroughly with potable water after use.

1. Spray Resolve Ten onto warm 49° - 54°C (120° - 130°F) surface to be cleaned. Cover soiled areas completely with foam.
2. Let Resolve Ten penetrate grease deposits for 5 - 10 minutes. Do not let product dry on surface.
3. When used at room temperature, let Resolve Ten penetrate grease deposits for at least 10 minutes.
4. Wipe off dissolved and loosened grease with a damp cloth.
5. Rinse with clear water.
