thirty™

foaming acid cleaner

resolve series | high-performance food service solutions

**Thirty** is a non-fuming, high foaming acid cleaner formulated to efficiently remove hard water scale and proteinaceous food film from food processing equipment - primarily aluminum, galvanized and stainless steel. It not only cleans the surfaces, it imparts them with a renewed brightness and shine.

### Directions for use

**For Removal of Mineral and Protein Scale from Equipment:** Dilute 3-4 oz of thirty per gallon of water. Apply as a foam, through a foam generating device, to surface to be cleaned. Let soak for 5 to 10 minutes, scrub if needed, and rinse thoroughly with water. Do not allow foam to dry on surface; rewet if necessary.

**To Brighten Aluminum Galvanized, or Stainless Steel:** Dilute 48 oz. of thirty per gallon of water. Apply as a foam, through a foam generating device, to surface to be cleaned. Allow to remain, scrubbing intermittently, until desired degree of brightness is obtained. Rinse thoroughly with water. NOTE: DO NOT use acid products on highly polished metal surfaces as irreversible damage may occur. If contact should occur, flush immediately with water.

#### DANGER

#### HAZARD STATEMENTS

Causes severe skin burns and eye damage. May be corrosive to metals.

#### PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles, face shield, full suit, vapor respirator and boots. Do not breathe mist /vapors /spray. Wash thoroughly after handling.

#### FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. Skin Contact: Wash skin with copious amount of water. Seek medical attention immediately. Inhalation: Remove to fresh air. Seek medical attention immediately. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

#### STORAGE

Store in original container protected from sunlight, well ventilated area, away from incompatible materials, food and drink. Keep out of reach of children.

#### SPILL /LEAK

Avoid runoff into storm sewers and ditches which leads to waterways. Absorb spillage to prevent material damage.

#### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

#### HAZARDOUS INGREDIENTS

Phosphoric Acid (7664-38-2)

Toll-Free 888-726-8323

Offices 908-912-2500

Emergency 800-424-9300
