

thirty four™

kitchen | oil & grease remover

resolve series | high-performance food service solutions

Thirty Four is an extra strength alkaline liquid oil & grease remover formulated to efficiently penetrate baked-on food soils, burnt out grease and carbon deposits in ovens, casseroles and stainless steel kitchenware. It is effective even at room temperature.

directions for use

Note: Wear gloves and long sleeved garments when using this product. Do not use on painted surfaces. Avoid contamination of food.

1. Spray or smear onto the surface to be cleaned at room temperature.
2. Allow solution to penetrate grease deposits for 2-3 minutes or longer depending on the thickness of the deposits.
3. Wipe off dissolved and loosened grease with a damp cloth.
4. Rinse with clear water.

Thirty Four works faster when applied to a warm surface (120°F, 50°C). Rinse off after cleaning. Thirty Four is safe on iron, steel, stainless steel, nickel, porcelain and glass. Product should not be used on aluminum or painted surfaces. Avoid contamination of food.
