

twelve

destainer | cleaner

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

Twelve is a powerful alkaline chlorinated warewash destainer and cleaner that safely and rapidly bleaches coffee, tea, cola, fruit and other food stains while also removing tenacious adsorbed oils from plastics, china, glass and metal surfaces.

features

- Simultaneously acts as a destainer and a detergent cleaner – not only rapidly bleaching coffee, tea, cola, fruit and other food stains but also removing difficult rancid coffee oils and tannins from warewash utensils and equipment alike.
- Proprietary blend of silicated alkalis allows product to be safely and effectively used on virtually all surfaces encountered – including glass, china, aluminum, stainless steel and plastics.
- Concentrated formula renders product very economical - as little as ½ ounce per one gallon of water is sufficient for most applications.
- This extremely versatile product can also be used to remove stubborn stains and mildew on sink tops and countertops, tiles, non-porous surfaces, bathtubs, vinyl mats, shower stalls and curtains.

ideal for

De-staining plastic and china dinnerware, coffee mugs, De-staining (cleaning) coffee makers, thermal coffee and tea dispensers; removing mildew and stains from sink tops and countertops.

optimal applications

Nursing homes, hotels, motels, hospitals, schools, restaurants, cafeterias and food processing plants.
