twenty seven™

machine rinse additive | HW

resolve series | high-performance food service solutions

Twenty Seven is an extremely effective rinse additive / drying agent that eliminates filming and reduces drying time on all wares, including plastics. Exceptionally fast sheeting action ensures consistently spotless results. Performs well in hard water and high solids conditions.

directions for use

Twenty Seven was designed to work with our automatic dispensing unit to ensure convenient, hands off dispensing to deliver powerful cleaning. Our chemical feed system delivers reliable performance and durability. Consult your Santec representative for specific use directions.
