

twenty three

concentrated pot | dish detergent

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

Twenty Three is a concentrated, grease-fighting biodegradable dish soap designed for use in industrial and institutional manual warewashing operations. Twenty Three leaves a fresh Clementine scent as it easily breaks down stubborn food soils, grease and oils, leaving dishes, utensils and cookware sparkling clean.

features

- Concentrated formula with stable, lasting suds allows it to be effective in very high dilutions.
- Synergistic blend of surfactants and solvents enhances ability to readily cut through tough grease and soils.
- All ingredients are biodegradable; contains no phosphates.
- Formula contains no harsh inorganic salts or alkali rendering the product mild to the hands.
- Product leaves a very pleasant uplifting scent in the entire sink area.

ideal for

Pots, pans, glassware, kitchenware, stainless steelware, utensils and baking trays

optimal applications

Cafeterias, eating and drinking establishments, nursing homes, hotels, motels, hospitals, schools.
