

vanish reclaim

rust reclaim laundry powder

linden series combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

Vanish Reclaim is used in commercial laundries [in the wash wheel] to remove rust stains, brighten linen that has dulled due to excess minerals in the water and reclaim linen that has been damaged from concrete stains. It is also used as a sour in extreme rust conditions.

features

- An absolutely necessary component in any effective reclaim formula.
- The most efficient method to remove rust stains from large quantities of rust-stained goods.
- An excellent laundry sour in high rust conditions.

directions for general use

Set the wash formula as follows:

20 minute - low (starch level) hot water (180 degrees)

2 minute hot high level rinse

2 minute hot high level rinse

2 minute warm high level rinse

2 minute warm high level rinse

2 minute cold high level rinse

Then extract the load or proceed to a traditional rewash formula or a concrete rewash formula.

optimal applications

Commercial laundries, hotels, motels, health care facilities, nursing homes, restaurants, food plants and meat plants.
