

Velvet Softener

fabric softener | clean breeze scent

linden series combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

Velvet Softener Velvet Softener is a premium liquid fabric softener for application to all fabrics in the final rinse cycle of a laundry machine. Exhibits superior softening properties combined with a long lasting and powerful 'clean breeze' scent. Reduces retained water in the fabric after the spinning or wringer-drying. Reduces friction for faster ironing.

features

- Contains a proprietary textile adsorbing silicone that combines with traditional softener quats to transform harsh and rough fabrics to uniquely soft textiles in one application.
- Renders textiles with a truly long lasting, powerful, and beautiful 'clean breeze' scent, that can be felt many days after being removed from the hot dryers.
- Mostly eliminates need to iron permanent press fabrics.
- Imparts anti-static properties to synthetics including polyester, nylon, rayon and more.
- Is safe to use on all water washable fabrics.

optimal applications

Hotels, motels, health care facilities, nursing homes, commercial laundries, and restaurants.
