vortex sour™

industrial laundry sour

linden series | clean, soft, fresh textile care

L6827

Vortex Sour is an organic acid neutralizer for the final rinse in the wash cycle to eliminate residual alkali from the wash and bleach operations. It is the preferred sour for tunnel washers.

directions for use

When dispensing at a properly controlled rate, Vortex Sour does not reduce tensile strength of common fabrics such as cotton, polyester and blends. Vortex Sour is not for use on delicate fabrics such as wool and silk. Vortex Sour should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.
