COLORS OF CLEAN

TECHNICAL BULLETIN

COLORS OF CLEAN is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make housekeeping a pleasure.

The nice thing about a general cleaner like *Key Lime* is that you can carry it with you all over the house without any sort of cart or bucket. Floors? Check. Carpet? Check. Counters, walls, bathrooms, showers, stainless, tile, grout, grease, mold & mildew? Check times 10! So what's left? Just an uplifting citrus-fresh scent to remind you how much a good general cleaner can almost make you enjoy cleaning. The secret is our unique peroxide formula as well as a deep appreciation for our local grocer's citrus selection.

Features

- The peroxide power provides fast effective cleaning and stain removal and kills many odors on most surfaces.
- The proprietary blend of environmentally friendly surfactants and solvents cuts through grease and lifts soils from surfaces.
- Low foaming surfactant/solvent system makes it a first choice for automatic scrubbers for cleaning/degreasing.
- Proprietary, peroxide-stable lemon lime scent leaves cleaned areas with refreshing, uplifting scent.

Optimal Applications Streak-free cleaning of glass surfaces and plastic surfaced objects and counter tops, bathrooms, shower and grout stains, mold and mildew removal, carpet cleaning, stainless steel equipment, commercial tiled (VCT) floors, polyurethane finished wood floors, painted walls, marble and terrazzo tiled floors and lobbies, tables, chairs and furniture.

Ideal for Hotels, motels, apartment buildings, department stores, supermarkets, office, buildings, nursing homes and schools.
