

zero

lime scale remover

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

Zero is a liquid acidic detergent formulated to efficiently eliminate lime scale and food film from stainless steel, aluminum, ceramic and plastics.

features

- Rapidly solubilizes and removes scale deposits and hazy films from equipment, utensils and plasticware surfaces.
- Its versatility allows it to be applied in a variety of applications, from descaling dishwashers to removing film from glassware to cleaning steamtables.
- Excellent for renewing original brightness and shine on stainless and aluminum surfaces.

optimal applications

Dishwashers, sinks, glassware and plastic-ware in kitchens, stainless and aluminum equipment and utensils, coffee urns, ice machines, water coolers.

ideal for

Eating and drinking establishments, bakeries, dairy farms, nursing homes, hotels, motels, hospitals, schools
